Neal82@hotmail.co.uk

My name is Neal Collard, and I am a member at Whitstable & Seasalter Golf Club. My back ground is in education and I am the headteacher of an outstanding school.

In my own time I love to play all sports and keep active. My favourite sports are football and golf, and I'm passionate to get young people involved in sport.

Please contact me if you have any questions, don't hesitate to get in touch.
